What's KIDVID?

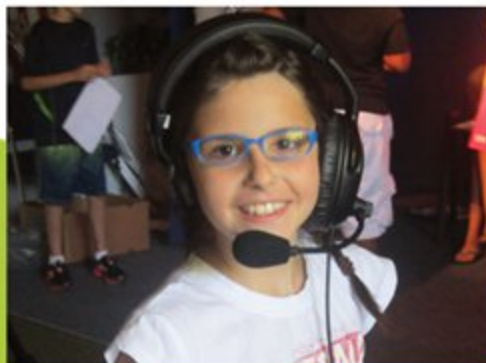

Each summer, Windsor Community Television (WIN-TV) offers a series of full day, week-long television production workshops for children ages 8-14 which we call KIDVID. The program has become so successful that each year we have a waiting list!

The Keys to the success of KIDVID

- We keep the fee for workshops priced low at \$100 and offer scholarship assistance to families with more than one child registered.
- A full day, week-long program lets kids become totally immersed in all aspects of TV production.
- All skill levels: two beginner and three advanced workshops are offered.
- We provide certified, experienced and knowledgeable instructors and assistants.
- Families are invited to an end of the week "screening" of the finished program to celebrate with their child.
- Healthy snacks and outside play-time are included.

and of course...

Kids have FUN!

Program costs for WIN-TV

- Instructors
